#### DAY 08 -YWA NGAN - KYAUK SAE

Today, there are very steep climbs on an uneven and rough road, so it is necessary to shoulder your bikes here and there for a journey of about 5 to 10 kilometers until you reach the caves of Padah Lin hidden in the middle of nowhere. After breakfast, we will go to villages in the western direction of the mountain. We walk about 6 kilometers until we reach the last **village called HmyarKalaw**, "Little Arrow." Then from there, we turn right towards the jungle pave paths but rather dilapidated and neglected. Trails are made for 4 X 4 vehicles, but with torrential rains, the dirt road becomes muddy with deep holes. It is sometimes as difficult to climb as to descend. Crossing the mountains is the most beautiful and adventurous of the off-the-beaten paths.
